### CAREER HIGHLIGHTS

**MUSICAL INFLUENCES:** Mostly podcasts but if I have to choose music it'll be Led Zeppelin, Van Halen, Sonic Youth, Born Against and anything Glenn Danzig sings on

**FAVORITE EQD PEDALS:** Speaker Cranker / Bellows / Avalanche Run

**FAVORITE NON-EQD GEAR:** Fuzz Face

**PHOBIAS:** Spiders, heights, public speaking

**FIRST CD I OWNED:** I bought Fat Boys "Crushin'", David Lee Roth "Crazy from the Heat" and Motley Crue "Shout at the Devil" on LP's at the same time from Acme-Click when you could still buy records at the grocery store

**FIRST GUITAR:** I asked for Eddie Van Halen's Guitar and I got a Black Kramer Focus

**WHAT'S THE MEANING OF LIFE?:** "Fuck it, go for broke." – Uri Garcia

**BOOKS:** Unless it's about a band, I've probably never read it
